## Moby Dick

---

With all the humpback whale activity around Massachusetts this summer, it got us thinking about the most famous of whales. Herman Melville, Massachusetts native, wrote Moby Dick in 1851. Moby Dick was a white (probably albino) sperm whale based upon Melville's own whaling experiences. Although almost all countries have now stopped commercial whaling, it was an important industry in the Commonwealth.

## Great Finds

### **The Princess Bride: S. Morgenstern's Classic Tale of True Love and High Adventure**

We have friends who we think have every word in the film of *The Princess Bride* memorized. You know who you are. But, have you read the book? William Goldman's classic is just as entertaining as the book.

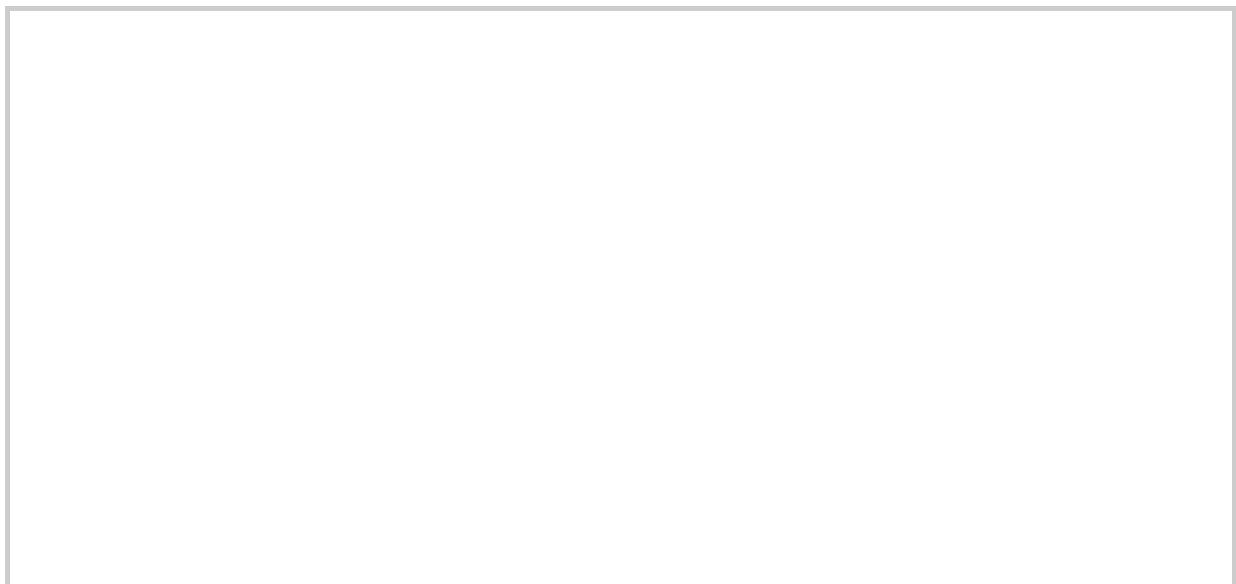

Other Copies available

### **Light Metres by Felicia Lamport and illustrated by Edward Gorey -- Signed!**

Felicia Lamport, noted satirist and poet and Edward Gorey writer and illustrator once again teamed up with this delightful book of Lamport's poetry and Gorey's illustrations. Our copy is signed by both Gorey and Lamport.

"Middle age is very difficult to chart  
Since no one really knows where to start  
But simple calculation gets the figure down pat  
It begins a decade later than wherever you're at." \$100
